- **No zooming** while recording. Walk closer instead.
- **Film it 3 ways:** far, medium, and very close.

| ☐ | **24** **Interior after:** slow pan across the seats and dash from the open door. | 10s |
| ☐ | **25** **Customer reaction** or one line, like "looks brand new". Only if they're happy to. | 5s |

**Rules**

**No licence plates** in shot. Film around them or cover them.

**Ask first** before filming a customer's car, house or face.

**Sound on.** Leave the noise in (washer, foam, vacuum). It gets mixed under the music.

**Sending:** share as files (not compressed) so the quality stays sharp.
