PROFESSIONAL SUMMARY

Customer service professional who came up through the bar and now supervises floor operations at Kafneo Office Center and Lounge, covering guest experience standards, payments and reconciliation, daily reporting, and staff coaching in a schedule-driven environment. Promoted from barista to supervisor for taking ownership of day-to-day operations. Holds Grade I CSEC passes in Mathematics and English, is available for all shifts, and brings the discipline with money, records, and procedure that passenger service demands. Applies AI tools to improve everyday workflows, is pursuing a Project Management with AI specialty certification, and is ready to start, learn new skills, and grow into greater responsibility within the company.

CORE EXPERTISE

Customer Service, Cash and Card Payment Handling, Reconciliation, Point of Sale (POS) Operations, Daily and End-of-Day Reporting, Documentation and Record Keeping, Stock and Wastage Control, Staff Coaching and Training, AI Implementation in Workflows

EXPERIENCE

Supervisor (promoted from Barista) | Kafneo Office Center and Lounge — 2026 – Present

- Promoted from barista to supervisor, taking ownership of weekly rostering, timesheets, and payroll for the team.
- Handle payments and reconciliation and complete accounting tasks, supported by daily and end-of-day reports on the Loyverse point-of-sale (POS) system.
- Set up operating systems that reduced stock and wastage variance across daily operations.
- Train staff in operating procedures, set guest experience standards on the floor, and lead formal HR conversations when standards slip.

Owner | AhbooJ Desserts — 2024 – Present

- Run a dessert brand end to end: product costing, pricing, supplier purchasing, production scheduling, and customer-facing brand work on Instagram and TikTok, including wholesale supply into Kafneo.

Barista | Bisou Bistro and Cakery — 2024 – 2025

- Served guests in a bistro and cakery.

PROFESSIONAL DEVELOPMENT
